PROJECT TITLE: A STUDY ON JOB SATISFACTION VIJAYA DAIRY LIMITED

Description: A dairy is a business enterprise established for the harvesting or processing of animal milk – Mostly cows or goats, but also from buffaloes, sheep for human consumption. A dairy is typically located on a dedicated dairy farm or in a section of a multi-purpose farm (mixed farm) that is concerned with the harvesting of milk.

Roles & Responsibilities:

- Manually collected the data of how many liters of milk is harvesting in the farm.
- Observed the milk harvesting data for 2 months during the morning and evening time.
- Listened to the concerns of the employees in dairy farm.
- Given/ Taken suggestions from the workers on the dairy farm.
- As per my observations,
 - 88 % of the employees are satisfied and 12 % of employees are not satisfied with their working work hours in the farm.
 - 85 % of employees are convenient and remaining 15 % employees are not convenient with their superiors.
 - 66% of employees were satisfied and remaining 34 % of employees are not satisfied with their salary.
 - 41 % of employees are rated as good and 35 % are rated as average, 22 % are rated as excellent and remaining 2% of employees are rated as poor about basic amenities.
 - 5% of employers are given suggestions and 95 % of employees are not interested to give any suggestion to improve job satisfaction in the organization.
