📍 Kannetttil House, Near Govt.UP School
📍 kaniyapuram, Trivandrum p.o

As a self-motivated and responsible person, I love solving problems, taking up challenges and exploring new technologies. At the same time I look forward to completing problematic and growth oriented tasks that will prove my abilities in this field.

COMPETENCIES

Programming Skills	Python, R, SPSS, Advanced Excel
Visualization Tools	Matplotlib
Operating Systems	Windows, Linux

CERTIFICATIONS

2020 Applied Data Science with Python, Data Science Academy

Machine Learning | Deep Learning | Data Analysis | IoT | Predictive Analytics | Time Series Forecasting | Text Mining

*Algorithms : SVM, Neural Network, Decision Trees, Random Forest, Linear Regression, Logistic Regression etc.
Tools : Python (Numpy, Pandas, Scikit-Learn, Tensorflow, Keras, NLP)*

RESEARCH EXPERIENCE

Master Thesis Project

- Dissertation on Logarithmic Distribution

GUIDE : DR.SREEKUMAR

📍 Govt. Arts College, Thycaud, Thiruvananthapuram p.o

Bachelor Thesis Project

- A Study of Parent-Children Relationship [Using Survey Program]

GUIDE : DR.SAJEEV KUMAR

📍 Govt. College of Kariavattom, Thiruvananthapuram p.o

QUALIFICATIONS

2021-2022	Career break for maternity leave
2021	Diploma in Applied Data Science with Python , Data Science Academy, Asiatic Building, Near Technopark, 695582
2017-2019	Master of Science in Statistics , Kerala University
2014-2017	Bachelor of Science in Statistics , Kerala University
2012-2014	Board of Higher Secondary , Jyoti Nilayam H.S.S, St.Andrews, Thumba
2012	Secondary School Leaving Certificate (SSLC) , High School, Jyoti Nilayam H.S.S, St.Andrews, Thumba
