

ANINDITA ROY

PROGRAMMER ANALYST

SUMMARY

A Programmer Analyst and a Military Spouse with 2.5 years of experience in Mainframe Technology as a Developer in Finance Vertical. My role included Requirement Analysis, Coding, Unit Testing, Debugging. At the start of 2014, in view of my spouse Military postings and raising my daughter I took sabbatical. However, I would like to resume my career and looking forward to a suitable platform to leverage my potential. **Open to any Tech/Semi Tech/Operations domain as deem fit.**
