SUMMARY

Results-driven B-Tech graduate in Computer Science and Engineering. Offering a seamless transition from academia to industry, with a proven track record as both an intern and a dedicated employee at M2P. Demonstrated expertise in API development, website scraping, and automation testing, complemented by a keen eye for detail in documentation. A proactive team player committed to enhancing efficiency and innovation within dynamic professional environments. Ready to leverage technical skills and practical experience to contribute effectively to the field of software development.

EXPERIENCE

Software Development Engineer

M2P Fintech Solutions

April 2022 – June 2023, Hyderabad, Telangana, India

- Joined as an intern and transitioned to a full-time role contributing to various software development projects.
- Collaborating with cross-functional teams to design, implement, and maintain robust and efficient APIs that enhanced system interoperability and data exchange efficiency.
- Innovated website scraping techniques, utilizing Python and related libraries to extract and process relevant data from diverse sources, contributing to streamlined data acquisition and analysis processes.
- Played a pivotal role in automation testing, developing comprehensive test scripts, conducting rigorous testing, and ensuring software quality, resulting in a 30% reduction in system bugs and improved overall reliability.
- Demonstrated excellent documentation skills, creating clear, concise, and well-structured technical documents, including API specifications, user guides, and process workflows, enhancing team communication and knowledge sharing.
- Collaborated closely with team members and mentors to troubleshoot complex technical challenges, providing timely solutions that optimized software performance and contributed to the achievement of project milestones.

EDUCATION

Bachelor of Technology in Computer Science and Engineering

Minor in OOP's, DS, DM, DAA, JAVA • Bhaskar Engineering College • Hyderabad, Telangana, India • 2022 • 6.5

Intermediate in MPC

Minor in Mathematics • Sri Chaitanya Junior College • Khammam, Telangana, India • 2018 • 7.8

SSC in 10th

Minor in Mathematics, Science, Social, Telugu, Hindi, English • RR High School • Khammam, Telangana, India • 2016 • 8.8

CERTIFICATIONS

Machine Learning with Python

Verzeo • 2022

Completed Verzeo's Python-based machine learning course

SKILLS

Programming Languages: Python, HTML

Web Technologies: API Development, Web Scraping

Testing: Automation Testing, Quality Assurance

Documentation: Project Documentation, Technical Writing

Data Analysis: Fuzzy Matching, Data Cleansing

Tools: Git, Postman, JIRA, Selenium

Strong Problem-Solving and Analytical Skills

Effective Communication and Team Collaboration

Detail-oriented with a passion for learn new technologies
