Hello, I'm Tanu

As a recent graduate with a BBA in Marketing and a certification in Data Analysis, I am a highly motivated and results-driven professional with a passion for leveraging data to drive business decisions. With a strong foundation in marketing principles and a keen eye for detail, I am adept at analyzing complex data sets and extracting meaningful insights. Through my coursework and hands-on experience, I have developed excellent communication and interpersonal skills, enabling me to collaborate effectively with cross-functional teams. I am now seeking a challenging role where I can apply my skills and contribute to the success of the organization.
