CAREER OBJECTIVE

Seeking a challenging role in an organization that values innovation and offers opportunities for career growth. My goal is to leverage my diverse skill set and experience to drive excellence in software development.

CAREER HIGHLIGHTS

- ASP.NET Developer with over 4 years of experience at Toshali Infotech.
- Proficient in a wide range of technologies and methodologies.
- Strong problem-solving skills with the ability to understand and implement complex projects.
- Proven track record of effectively managing multiple projects concurrently.
- Active participation in stand-up meetings and client interactions, ensuring timely project updates through Jira, Teamwork, and Slack.
- Expertise in team coordination and project management tools like GitHub.
- Hands-on experience in C#, VB, OOP concepts, API, JavaScript, Bootstrap, CSS, HTML, and SQL.
- Adherence to the software development life cycle.
- Skilled in mentoring and providing guidance to junior team members.
- Successfully handled tasks in the absence of senior team members.
- Published technical documents on the company's website.
