WORK EXPERIENCE

JUNIOR JAVA DEVELOPER

Corpfield Technology Solutions, Nagercoil

Mar, 2021 - Mar, 2023

Though it is a startup company I got more opportunities to learn. I also cherish all happy moments I had there.

- Worked to ensure a positive and hassle-free customer experience.
- Worked in team with on the go development process like implementing RESTful APIs in IntelliJ and stored data efficiently in MYSQL database back-end.
- Worked in teams in projects like Dots, ZunoCabs, Marathon, South Matrimony.
- Dots is a NFC base project which includes the use of NFC and shopping.
- ZunoCabs is a transportation based project with two apps for user and captains.
- Marathon is a project used for tracking marathon.
- South Matrimony is a matrimonial project with agent and customer roles.
- Basic knowledge in API integration(React JS).
- Reviewed code and debugged errors to improve performance.
- Reworked few applications to meet changing marketing trends and meet customer demands.
- Used tools like Postman, git repository.
