Year of Passing	2018
Grade	70-74.9%

Class X

Board	Andhra Pradesh
Medium	English
Year of Passing	2016
Grade	80-84.9%

WORK EXPERIENCE

Nov 2022 to Present

Cloud Engineer at Eficens

As a Cloud Engineer at Eficens, I play a pivotal role in optimizing and automating the deployment and management of cloud-based applications and infrastructure, with a strong focus on AWS services. With a proven track record of 1 year of experience in AWS, I bring expertise in cloud architecture, security, and best practices to the team.

INTERNSHIPS

- <https://www.linkedin.com/in/shaik-sajidabegum-3192ba208/>

Eficens, 3 Months

Collaborated with the DevOps team to gain hands-on experience in implementing and managing AWS cloud services and DevOps tools. Worked with AWS services such as EC2, S3, ECS, EKS and Lambda to optimize infrastructure and ensure high availability and scalability. Participated in the configuration and management of containerization platforms like Docker and Kubernetes. Assisted in scripting and automation tasks using languages like Python and shell scripting. Participated in team meetings, brainstorming sessions, and training sessions to enhance skills in AWS and DevOps practices.

PROJECTS

CEGMA, 8 Months

Working on this project since 8-months and focused on AWS deployments to enhance the scalability and reliability.
