Nikita Ghadge

Data Scientist

Experience

● Jan(2018)-Present

E-Xpert Solutions
Data Analyst

Data Analyst at E-xpert Solutions.

We are working on Catalogue Analysis(Sales).This data is related to retailer store. Catalogue data has been stored in excel files. next step is to analyze & visualize that data through Power-bi. and fetch that data through SQL.

My team and I routinely use Catalytic to identify root cause of sales performance.

Identifying category of data.

Day To Day Tracking.

● Jan(2015) - Dec(2017)

Powerwin Energy Solution Pvt Ltd

Admin

Manage phone calls and correspondence (e-mail, letters, packages etc.)

Create and update records of employees

● Projects

Oct 2022 – Nov 2022
