GMP TECHNICAL SOLUTIONS PVT LTD.

Piping Designer Executive- Autocad-2014, Revit-2013

Jan 2013 To Feb 2019

IMI (NIGERIA)

Title: : PIPING DESIGNER- CAD & REVIT

Responsibilities: Initial designing of piping layout ; Preparation bill of Quantity for tendering purpose, Preparation of P&ID, Preparation of piping layout ,fire water hydrant layout, extraction of bill of material, structure BOQ & structure weight calculation, 3D drawing on MEP Revit software.

KPMA (ALGERIA)

Title: : PIPING DESIGNER- CAD

Responsibilities: Initial designing of piping layout ; Preparation bill of Quantity for tendering purpose, Preparation of P&ID, Preparation of piping layout ,fire water hydrant layout, extraction of bill of material.

BAHRAIN PHARMA (BAHRAIN)

Title: : PIPING DESIGNER- CAD

Responsibilities: Initial designing of piping layout ; Preparation bill of Quantity for tendering purpose, Preparation of P&ID, Preparation of piping layout ,fire water hydrant layout, extraction of bill of material , 3D drawing on MEP Revit software.

STRIDE (SUDAN)

Title: : PIPING DESIGNER- CAD

Responsibilities: Initial designing of piping layout ; Preparation bill of Quantity for tendering purpose, Preparation of P&ID, Preparation of piping layout ,fire water hydrant layout, extraction of bill of material.

PROGRESSIVE ENGINEERING WORKS

Piping Designer- Design & Drafting on autocad

HPCL PROJRCT (LONI)

Title: : PIPING DESIGNER

Responsibilities: Isometrics from GAD. Etraction of Bill of Material.

HPCL NEW POL DEPOT PROJRCT (KADAPA)

Title: : PIPING DESIGNER

Responsibilities: **Isometrics from GAD. Etraction of Bill of Material**

VOLTAS PROJECT AT KOCHI & TRIVENDRUM

Title: : PIPING DESIGNER

Responsibilities: **Preparation BOQ from GAD, Preparation Sectional view from GAD, Isometrics from GAD. Etraction of Bill of Material**

"Mott-Macdonalds"

Cad operato

As built project of Yibal & musallam

Title: Cad operator

Responsibilities: As built work.
