Experience

○ (29th Nov 2021 – 31 May 2023) (18 months)

Kitchen365 (Commerce Pundit) | Mumbai

2020 Designer (Remote)

Company-manufactured factory-fitted kitchens for US-based clients & builders.

- As a 2020 designer, I used to read the drawings & make them into 2020 software.
- I provide clients & builders with knowledge and creative design solutions.
- Creation of designs and follow-up with clients regarding any improvements as per their requirements, and appropriate price-quoting according to the product catalog. Follow up over the portal In-house software.

• I worked with builders, mostly Carter Lumber, where I worked for a year. I worked on presentations also designs and also live calls. I was **the POD leader** for **Carter Lumber & William** both are multifamily plus retail clients.

• Then I work for a client name Hart it was a **custom-based catalog**. I worked for 6 months it was a multifamily project. I was **a dedicated designer** for the client.

- **Contact : Hr. Komal Sukhani - hr@kitchen365.com**

○ (15th May 2021 – 15th Nov 2021) (6 Months)

HomeLane.com | Pune

Design Partner (Freelancing)

The Company-manufactured factory-fitted kitchen & wardrobes.

- They have types with multiple partners learned new in-house software called Spacecraft. Also how to work on SketchUp 2D drawings. I learned how to deal with clients professionally. How to follow the QA-QC process and explain your design to the production team and get it done all the work as per the designs. It was a proper process.
