Email:123knara@gmail.com

## **CAREER OBJECTIVE :**

Seeking an Entry level position within an organization as an Engineer to utilize my analytical, technical and management skills as well as to enhance my knowledge on emerging technologies

## **EDUCATIONAL DETAILS :**

COURSE	INSTITUTION	YEAR	PERCENTAGE
B.Tech(ECE)	Chirala Engineering College	2021	65%
Intermediate	Dr.Ds.Raju jr.College	2017	75%
ssc	Z.P.High School	2015	78%

## **PROJECT:**

**TITTLE :** THE SMART SOLDIER JACKET USING IOT

**DESCRIPTION :** In this project we have explained how to track the location of the soldier with the help of GPS and also we will be able to monitor health parameters such as pulse rate and Body temperature . The measured parameters will be sent to the control room with the help of GSM module to know the condition of the soldier. If the soldier is injured the fluctuations with the heartbeat and pulse rate will be measured and will be inform the military base station and through GPS we can locate the wounded soldiers.

## **HOBBIES :**

- Reading books
- Watching motivational videos
- Growing plants
- Playing games

## **TECHNICAL SKILLS :**

Languages : Python

Web Technologies : Django , RestApi , Flask

Data Base : Sql Server

**PERSONAL DETAILS :**

Date of Birth : 21-09-1999

Father's Name : Kokkiligadda Srinivasarao

Address : H.No: 4-114,

p.v.palem manadal ,

Alluru village, Guntur district, AP – 522314

*(I here by declare that all the above Information is true to the best of my knowledge)*
