MY VIEWS ON RESTRUCTURING & REORGANISING AN ORGANISATION

- ❑ Reorganize and restructure an organization in a completely new direction by needing some serious pillars like trust, communication, ability to perform, handle pressure, discipline, honesty & new technologies.
- ❑ Organizational restructuring involves conducting an organizational assessment to identify areas of competence, improvement, potential risk & applying the findings to inform strategic solutions.
- ❑ I would focus on the motive and goal of the company that it has been made for depending on the role of the company I would manage the team and do all the basic duties like manpower distribution, having a close look at the outcome of the procedures and task done and scrutinize all the functions that leads to the team work management. The main intention should be doing justice to the priority of the company.

EXPERIENCE OF MANAGING A TEAM

- ☐ Hire right people.
- ☐ Set achievable goals.
- ☐ Establish a team mission.
- ☐ Delegate task effectively.
- ☐ Maintain open communication.
- ☐ Manage the time wisely in decision making.
- ☐ Discuss team work and performance reviews.
- ☐ Provide feedback.
- ☐ Resolve team issue.
- ☐ Hold team building events.
- ☐ Cheer on team.
- ☐ Keep positive vibes in office.
- ☐ Celebrate wins.
- ☐ Cross functional.

TEAM BUILD-UP

- ☐ Define the purpose.
- ☐ Assemble the team.
- ☐ Determine the team.
- ☐ Set expectation.
- ☐ Monitor and review of teamwork.
- ☐ Celebration and rewards.
- ☐ Build trust, respect and problem solving.
- ☐ Be true to your word.
- ☐ Organize meetings for employees.
- ☐ Take advantage of conflict.
- ☐ Make hiring a team efforts.
- ☐ Securities of employees.

CONCLUSION

Following up with my career details I would like to sum up my resume for the job profile. I would like to mention that I am a well capable member for the respective designation for the company and would effectively contribute my skills with all my hard work, honesty & determination for the sake of the company.
