SUMMARY

Motivated and highly adaptable software engineer with a strong academic foundation in computer science and a passion for solving complex problems. Proficient in a variety of programming languages and technologies, including C language, JavaScript, Python, HTML/CSS. Adept at collaborating with cross-functional teams to design, develop, and test software solutions. Eager to leverage my skills, creativity, and enthusiasm for technology to contribute effectively to innovative projects and continue my professional growth in the software engineering field.

EXPERIENCE

Software Intern

Fitway

📅 03/2023 - 09/2023 📍 Pune, IND

Worked as a software engineer at Fitway and successfully completed a 6-month internship as a software developer

- Developed a gym booking web application using HTML, CSS, Bootstrap, and JavaScript.
- Completed a GETFIT project using JavaScript, HTML, CSS, Bootstrap, Node.js, and MySQL

EDUCATION

Bachelor of engineering

University of Pune

📅 2020 - 2023 📍 DPCE, Pune

Diploma In Civil Engineering

MSBTE

📅 2016 - 2020 📍 Govt RWP, Latur

SKILLS

C Lanaguage

HTML 5

CSS 3

Javascript

Python

Bootstrap

Agile

GIT

Mysql

STRENGTHS

Problem Solving

Quickly adapted to new software applications during internships, enabling efficient data entry and analysis tasks.

Quick Learner

Proactively acquired and applied new skills during internships, consistently adapting to unfamiliar tools and technologies

Team Player

I am a good team player, easily integrating into new teams and adept at working in diverse environments

ACHIEVEMENTS

Academic Achievements

Achieved an 8.10 GPA throughout my engineering academic studies. I consistently ranked as the class topper in every semester.
