Address

002, Nishank Apartment, Chinchpada Road, Katemanevali Naka., Kalyan , India

Birth Date

Date: 30/Jan/1996

Summary

As an ambitious and driven individual, I am passionate about technology and constantly strive to expand my knowledge and expertise in the field. With strong knowledge in SQL, Java, software testing, and web programming, I have developed a broad range of skills that enable me to adapt to new technologies and contribute to complex projects.

I am a quick learner and hard worker, with a dedication to mastering new technologies and staying up-to-date with industry trends. My strong communication, analytical, problem-solving, and documentation skills enable me to work collaboratively with cross-functional teams to deliver high-quality results.
