

Mustafa Suleman Nadaf

Software Developer

📍 Hinjewadi phase 1, Pune ✉ nadafmustafa2015@gmail.com ☎ 7028869941

SUMMARY

.Net Developer with 1+ years of experience proficient in .NET Core and Web API development. Skilled in application development and eager to contribute my expertise to dynamic projects within a collaborative team environment.

WORK EXPERIENCE

.NET Developer

Saisatwik Technologies Private Limited, Pune

August 2022 - Present

PROJECT

Cold Data Management System and Loan Portfolio Management:

- Developed an enterprise product for managing cold data and loan portfolios, including seamless integration with cloud storage for efficient document management and processing.
- Utilized microservices and APIs for various functionalities, including individual customer processing, lender integration, document upload, and integration with third-party services like Experian, Aadhar, and PAN Verification for KYC.
- Employed AES Encryption and JWT tokenization for security.
- Processed data in both XML and JSON formats to facilitate cross-platform integrations.

Technologies Used in Project:

C#, .NET Core 3.1, Web API, JSON, XML, SQL Server, Microsoft Azure

TECHNICAL SKILLS

Programming Languages: C#, JavaScript

Frameworks: .NET Core, ASP.NET MVC

Cloud: Microsoft Azure

Data Access: ADO.NET

Databases: SQL Server

Web Technologies: HTML5, CSS3, Web API, JSON, XML
