Career Objective

I am a veteran, an alumnus of the Indian Air Force. The force has inculcated in me a never say die approach. I am looking forward for a challenging job in corporate world with a dynamic organization, which enables me to utilize and enhance my skills and experience in the field of :-

(a)	Manufacturing Plants of Aviation / automobile Industries
(b)	Ramp / maintenance activities of aircraft
(c)	Supervising preventive maintenance activities on automobile vehicles
(d)	Quality Assurance Services in production line and ware house
(e)	Maintenance Safety Supervisor
(f)	Defect Investigations, its failure analysis and Implementation of remedial measures
(g)	Techno- logistic management
(h)	HR Management
(i)	Customer Relation Management

Key Capabilities / Strengths

I have an experience of 29 years in the field of maintenance of aircraft and associated equipments in Indian Air Force. By virtue of my dedication, integrity to task assigned, I always had been in good books of my superiors. I have following key capabilities.

- A good team player with ability to lead
- Possess excellent communication skills in English, Hindi and mother tongue, Marathi
- Never shy from responsibilities
- Punctual as well as can give long working hours, if need arises
- Can juggle multiple projects
- Can adapt to diverse cultures
- Excellent Computer skills in MS Office (Word, excel, power point and MS access)

Work Experience

IAF has trained me and gave opportunities in various fields, which I will like to elucidate:-

(a)	First and second line servicing (hydraulic, pneumatic, landing gear and flying control system) of heavy transport aircraft
(b)	Database management and undertaking office automated correspondence with respect to Techno-logistic aspect
(c)	Handling of aircraft on ramp as per ICAO and IATA guidelines
(d)	Quality Assurance inspector in production line and ware house
(e)	Maintenance Safety Supervisor in aviation field maintenance activities
(f)	Manage team as team leader and play role as key member
(g)	Customer Relation Management
(h)	Excellent Computer skills in MS Office
