# TANYA SRIVASTAVA

mtanyasrivastava53@gmail.com | Mob No- 91 7905565780

# **Objective**

Bringing over a year of hands-on SQL experience, complemented by proficiency in Excel, Power BI, and Python. Committed to driving data-driven innovation, delivering actionable insights, and fostering growth in Business Intelligence and Database Management.

### Work Experience

# Tech Mahindra | Associate Software Engineer

Aug 2021 - Feb 2023

Project Name- Ascension 2.1 | Team Size- 50

Skills- CCL, SQL, ServiceNow, DVDev

- Utilized CCL, SQL, and Query Builder to analyze and create reports, improving data analysis efficiency by 20%
- Performed unit testing, coding, and debugging procedures.
- Managed Cerner Reporting tasks using ServiceNow, achieving a 95% on-time completion rate.
- Collaborate cross-functional to resolve client issues, achieving a 90% client satisfaction rate.

# Tech Mahindra | Associate Trainee [Link]

Jul 2021 - Oct 2021.

Skills/Technology- Power BI, SQL, MySQL

- Underwent rigorous training in SQL, MySQL, and Power BI.
- Successfully executed internal database management tasks, showcasing effective proficiency while adhering to recognized best practices.

# Internship

Jun 2023 - Present

Statskew Techs | Data Analyst II Intern Skills- Python, MySQL, Google Colab, MS Excel, DAX, HTML

- Managed large datasets and performed web scraping, utilizing Python and Google Colab.
- Employed **descriptive statistics** to generate boxplots and identify outliers.
- Conducted in-depth data analysis on urban and forest locations, revealing insightful patterns through research-driven maps.
- Scraped data from 500+ web pages, resulting in a dataset of over 10,000 records for analysis.

#### **Projects**

Project Name- Madhav Online Store Annual Report 2022 | Tech Mahindra [Link]

Aug 2021 - Sep 2021

Skills/Technology- Advanced Excel/ Microsoft Excel, Problem-Solving

- Designed an interactive e-commerce annual report in Excel, improving response time by 30%.
- Analyzed complex datasets, extracted key insights, and ensured data integrity, resulting in 20% data quality improvement.

# Project Name- E-Commerce Sales Dashboard | Tech Mahindra [Link]

Aug 2021 - Sep 2021

- Skills- MS Power BI, Power BI Desktop, Power Query, Power Pivot
- Developed a Power BI E-Commerce dashboard, offering innovative solutions and actionable insights, thereby reducing data processing time by 50%.
- **Analyzed data for 300+ products**, resulting in identifying top-selling products, optimizing inventory management.

# Project Name- Flipkart Web Scraping | StatSkew Techs [Link]

Jun 2023 – Jul 2023

Skills/Technology- Python 3.11.4, Beautifulsoup, Pandas, Google Chrome, Google Collaboration, MySQL, HTML

- Scraped data from the Flipkart website, extracting details from over 20 pages and generating a CSV file.
- Processed and organized 15,000+ records, contributing to the creation of a comprehensive product database.

#### Project Name- The Code Magazine | Tech Mahindra [Link] Skills-HTML, CSS

Sep 2021 – Oct 2021

Generated educational blog posts and articles covering HTML and CSS, employing HTML/CSS for content structure, styling, multimedia integration, and hyperlink development to enhance user experience, engagement, and navigation.

#### Skills and Hobbies

# **Programming Languages and Technologies**

SQL | Advanced Excel | PowerPoint | MS Power BI | ETL | Data Modeling | MySQL | CCL | Query Builder | DVDev | Cerner | ServiceNow | HTML/CSS

# **Soft Skills and Hobbies**

Content Writing | Teamwork | Presentation | Workout | Traveling | Communication Skills | Analytical Mindset | Multitasking | Numerical Concepts

# **Education**

# Rajiv Gandhi Proudyogiki Vishwavidyalaya

Bachelor in Electronics and Communication Engineering

Aug2015- Jun 2019

#### Certificate and Achievements

- Earned Silver Badge in SQL on Hacker Rank[Link]
- SQL (Basic) cerified HackerRank [Link]
- 1<sup>st</sup> Rank in 8<sup>th</sup> semester of engineering 9 CGPA
