PROFILE

Dedicated software engineer with a strong background in Spring Boot, Spring Cloud, and microservice architecture. Experienced in creating RESTful APIs, using Swagger/OpenAPI, and working with various databases, including MySQL, PostgreSQL, COSMOS DB, SQL Server, Oracle, and NoSQL. Proficient in Git, Eclipse/IntelliJ, Maven, Gradle, and cloud application development. Skilled in DevOps tools (Jenkins, Kubernetes, Helm, AWS) and Agile/Scrum methodologies. Seeking an opportunity to contribute my technical expertise to a dynamic IT company.

PROJECTS

- **eCommerce Website (Java):-** Developed an eCommerce website using Java technologies, including Java Spring Framework and JavaServer Pages (JSP) for the user interface. Implemented product catalog management, shopping cart functionality, and secure payment gateway integration. Collaborated with a cross-functional team of designers and developers to deliver a user-friendly and responsive user interface.

  For the database management, we utilized Java Persistence API (JPA) with Hibernate as the ORM framework. This allowed for efficient data retrieval and storage. Additionally, we used Apache Tomcat as the web server to deploy the Java web application.

  Please note that while Java can be used for web development, it's more common to use frameworks like Spring for building web applications. The above description provides an idea of how you might describe a similar project in Java.

- **Real Estate Project:-** Built a real estate listing and property management system usingASP.NET CORE and Web APIs.

  Implemented features such as property search, property details, and interactive maps for location visualization. Developed an admin panel for managing property listings, user inquiries, and agent profiles. Utilized SQL Server for database management, including complex queries for property filtering and sorting.

INTERNSHIP EXPERIENCE

Chetu Inc, Noida 63, Uttar Pradesh Duration: 1st August 2022 to 31st January 2023

During my internship at Chetu Inc, I had the opportunity to contribute to various projects and gain valuable hands-on experience in the field of software development. I actively participated in the following tasks and responsibilities:

- ❖ Collaborated with the development team to assist in the design, implementation, and testing of software modules.
- ❖ Engaged in debugging and troubleshooting activities to identify and resolve issues in the codebase.
- ❖ Worked closely with senior developers to learn best practices and enhance my coding skills.
- ❖ Contributed to code reviews and discussions, providing valuable insights for improving code quality and efficiency.
- ❖ Demonstrated good analytical and problem-solving skills, enabling me to tackle complex challenges effectively.
- ❖ Assisted in the documentation process, ensuring that project details and code changes were well-documented for future reference.

My internship experience at Chetu Inc allowed me to apply my theoretical knowledge from academics to real-world projects. It also provided me with insights into the collaborative nature of the software development process and enhanced my teamwork and communication skills.

EDUCATION

- ❖ Pass 10th Class with 85.17% From UP Board in 2015.
- ❖ Pass 12th Class with 72% From UP Board in 2017.
- ❖ Pass BCA with 72.17% From CCS University in (2017- 2020).
- ❖ Pass MCA with 78.80% From AKT University in (2021 - 2022).

TECHNICAL SKILLS

- Languages: C, Python, Java, C#.
- Frameworks: Spring Boot, Spring Cloud, ASP.NET Core 6.0, .NET MVC
- Web Technologies: RESTful APIs, Swagger/OpenAPI, HTML, JavaScript, jQuery, CSS
- Databases: MySQL, PostgreSQL, COSMOS DB, SQL Server, Oracle, NoSQL
- Version Control: Git
- IDEs: Eclipse, IntelliJ
- Build Tools: Maven, Gradle
- Cloud Technologies: AWS, Serverless
- DevOps: Jenkins, Kubernetes, Helm
- Containerization: Docker
- Platforms: Red Hat OpenShift, Kubernetes, JBOSS

EXTRA QUALIFICATION AND CERTIFICATION

- Diploma In the Computer Certification Course with 'A' grade.
- Certificate in the C, C++, Python, JAVA with 'A' grade.

PERSONAL QUALITIES

- Excellent general IT knowledge.
- Continuous personal and professional development and willingness of learn in new areas.
- High-quality standards.
- Team player and highly developed sense of responsibility.

HABBITS AND INTERESTS

- Writing
- Board Games
- Coding
- Sports And Exercise
- Music

PERSONAL INFORMATION

- Father's Name :- Neeraj Goel
- Mother's Name:- Nisha Goel
- DOB   :- 07 July 2001
- Marital Status :- Single
- Language Known :- Hindi & English
- Permanent Address   :- 159A South Bhopa Road, Sanjay Marg, New Mandi, Muzaffarnagar, Uttar Pradesh (251001)
- Present Address :- Homtech Global, near Shri Ram Public School, Sarfabad, Sector 73, Noida, Uttar Pradesh(201301)

DECLARATION

I hereby declare that all the information mentioned in my resume is true and correct to my knowledge and I take full responsibility for the accuracy of the particulars mentioned.
