Mageshwari P

Java Developer

📍 Thoothukudi, Tamil Nadu, India

- 3 year 1 month of experience in working with the web based application, hand on experience in the analysis, design patterns, development client and sever application implementing and testing with the use JAVA.
- Experience in designing and building dynamic and user interactive websites using HTML5, CSS3, JavaScript, Bootstrap, Jquery, Json and XML.
- Experience in Developing Application using Framework Struts.
- Extensively worked on Implementing Service Oriented Architecture (SOA) using XML web services, Handing HTTP request and response.
- Experience in Installing, Configuring, Deploying and Maintaining Application and Web servers such as Apache Tomcat Sever.

Work Experience

Java Developer • CTD Techs Pvt Ltd

January 2022 - Present

- **1 year 7 month** of experience in analysis, design, implementation and testing of Object Oriented Applications in Client/Server environments using Java/J2EE.
- Experienced in Java **Application Development**, **Object Oriented Concepts**, **Object Oriented Programming** (OOP) and its implementation.
- Expertise in design and development of various web and enterprise-level applications using **Java/J2EE** technologies like **XML**, **Struts framework**, **JSP**, **jQuery**, **JavaScript**, **Ajax**, **JDBC**, **Java Beans,** and **Servlets**.
- Developed web applications by implementing **Model View Control (MVC)** architecture and considerable experience in various **front-end** technologies.
- Experienced in developing standalone applications using **Spring Boot**.
- Experience in configuring and deploying the applications on **Apache Tomcat** Servers.
- Experienced in writing **complex SQL queries** and **Stored Procedures** in various databases such as **MySQL**.
- Experienced in Development, testing and deployment of enterprise applications on **Windows** platforms using IDE's such as **Eclipse**, **STS**.
- Experience in document preparation including **Requirement Specification**, **Analysis, design documents**, **Test cases** and **User Training documents** and **Technical Help documents**.

Software Developer • Finix Info Solution Pvt Ltd

August 2020 - December 2021

- **1 year 4 month** of experience in the field of multitier distributed applications, client/server development projects. Experienced in all phases of **SDLC** including **analysis, design, coding, testing and support, integration** using **J2EE architecture**.
- Experience in **design and development** of reusable enterprise systems and various web applications using **Java Beans, Servlets, JSP, JDBC**.
- Well experienced with visual rapid application development tools like **Eclipse, IntelliJ IDEA, Visual Studio Code and My Eclipse**.
- Hands on experience in designing and development using **Java, JavaScript, XML, JSON, HTML, AJAX and CSS**.
- Experience in Core Java concepts such as **OOP Concepts**, Collections Framework, and Exception Handling, I/O System, Multi-Threading, JDBC.
- Enterprise application architecture design using **J2EE Frameworks** (Struts, Spring Boot).
- Excellent work experience with XML, writing **SQL, PL/SQL queries, stored procedures, triggers** with major relational databases like **SQL Server, MySQL**.

- Participate in **design development and contribute** to discussion.
- Participate and actively listen for **Agile activities** relating to development of **test plans and test plan execution.**
- **Deliver code, and, continue to be active participant** throughout testing, and implementation within an agile environment. understand concise technical designs received and deliver upon technical commitments.

Education

2017 - 2020

Thiagarajar College of Engineering, Madurai

Bachelor of Technology (Information Technology)

B.Tech in Information Technology with 7.59 CGPA from Thiagarajar College of Engineering, Madurai

2015 - 2017

Barathiar's Centenary Memorial Women's Polytechnic, Ettayapuram

Diploma in Computer Engineering

Diploma in Computer Engineering with 78 % from Barathiar's Centenary Memorial Women's Polytechnic College, Ettayapuram

Skills

User Experience

- Java, JDBC, JSP, Servlets, Tomcat, MySQL, JavaBean, HTML, CSS, JavaScript, jQuery, Ajax, XML, Struts, Spring Boot, Rest API, MS Word, MS Excel, GIT, Eclipse, Maven, Debugging, J2EE, JSON

Language

- English
- Tamil
