EXPERIENCE

Versatile Premedia Services
Pune 2018-2020

My responsibilities included:
- Developing interactive eBooks using HTML and CSS.
- Utilizing ePub tools to obtain eBook raw files.
- Manually correcting errors in the ePub after compilation.
- Styling headings, paragraphs, and fonts according to the provided PDF.
- ·Verifying correct placement of images based on the PDF.

Throughout these tasks, I actively participated in the software development life cycle (SDLC) and contributed to agile methodologies. I used Jira for issue tracking, validation, and verification to ensure the quality and accuracy of the final eBook product.
