EDUCATION

Christu Jyothi Institute of Technology and Science **2016 – 2019**
BTech- ECE - **Percentage - 72.4%** *Jangaon, India*

Christu Jyothi Institute of Technology and Science **2013 – 2016**
Diploma - ECE - **Percentage - 88.9%** *Jangaon, India*

Ekashila High School **2012 – 2013**
SSC - **CGPA - 9.5** *Jangaon, India*

PROJECTS

Book My Show ⬈ | Spring Boot, Hibernate, JPA, MySQL, Maven, Intellij and Postman
- Developed a BookMyShow-inspired application using Spring Boot, Hibernate, JPA, MySQL, and Maven.
- Implemented an application that allows users to manage movie details, show timings, theater information, and user profiles efficiently.
- Utilized RESTful APIs for seamless communication and tested endpoints using Postman for validation.

Vaccination Management System ⬈ | Spring Boot, Hibernate, JPA, MySQL, Maven, Intellij and Postman
- Designed a Vaccination Management System with Spring Boot, Hibernate, and MySQL.
- Implemented a user-friendly interface for scheduling appointments and managing vaccination records.
- Integrated Email notifications to provide users with confirmation and details of their vaccination.

E-Commerce ⬈ | JavaFx, Java, MySQL and Object Oriented Programmaing(OOP's)
- Developed a secure e-commerce website with signup, login, and password encryption for improved user account management, enabling online product browsing and purchases.
- Implemented essential features like product search, add to cart, and buy now options using SQL queries and database operations.
- Created an orders page to track order history, enhancing the overall e-commerce experience for customers.

EXPERIENCE

Project Engineer at Bharat Dynamics Limited **Mar 2021 – Feb 2022**
- Performed rigorous testing on 7 distinct types of PCB cards for missile stands to ensure compliance with electrical specifications.
- Worked collaboratively with engineers and technicians to identify and troubleshoot issues during testing, contributing to prompt issue resolution.

INTERNSHIP

Full Stack Web Developer Trainee at Acciojob **Sep 2022 – present**
- Actively learning and mastering Data structures and Algorithms(DSA), Java, Spring Boot, JPA Hibernate through practical application in real-life projects.
- Adaptable and quick to learn new technologies, ensuring efficient code development and contributing to the successful completion of projects within tight deadlines.

SKILLS

Technical Skills: Java, Core Java, SQL, Data Structures and Algorithms, Spring Boot, JPA Hibernate(MySQL), Microservices architechture, API's structure DB design.
Soft Skills: Communication, Leadership, Time management, Problem-solving, Teamwork.
Tools: Intellij Idea, Postman, Apache Netbeans IDE, Git and Github.

ACHIEVEMENTS

- Achieved a remarkable All India rank of 675 in the prestigious CodeKaze June'23 coding competition organized by Coding Ninjas.
- Ranked 7th in academics for the first year of diploma and received state-level recognition.
