Objective:

➢ To establish and prove myself in a good organization with my technical excellence and to make a good performance in the demanding work of modern technologies.

Work Experience:

➢ **Team Lead (IPDF, APDF and Labelling)** - Emayyam Infotech, Coimbatore (June **2019** to **till date**).

- – PDF remediation techniques.
- – Writing Alternative text for the images in the PDF to make it accessible.
- – Test and clear errors in PDF Accessibility Checker 3 and Adobe Checker (All versions).
- – Remediate PDF to meet WCAG guidelines.
- – Testing PDF Accessibility using NVDA reader.
- – Analyze quality of all the files being remediated and do Quality Check for successful delivery.
- – Understand client requirements to make and meet preferred remediation.
- – Handle team and deliver output within TAT.
- – Train new employees with the process and make them work effectively.
- – Data mining, Data set creation and data marking.
- – Labelling the itemset of the scanned images and Marking pixel data using Coreldraw and Photoshop.
- – Conversion of PDF to MS Office Word document using tools.
- – Using Mathtype to create complex equations editable in Word document.
- – OCR all type of PDF documents using ABBY Fine Reader 12.
- – Basic of making PDF documents Accessible, Web Research the details and make a data set.
- – Entering huge transaction statements of clients in Excel sheet to make it a record.
- – Making PDF Interactive for School students by Tool.(IPDF)

➢ **Technical Support Representative** (Non-voice Process, US-Chat) - C Cubed Solutions Pvt. Ltd (August **2013** till July **2014)**.

- – Solving issues in customer's computer by taking remote access to their system.
- – Issues includes from simple mail login to complex troubleshooting Operating system.
- – Chat with customer to maintain proper communication and ensure the issue is being fixed in their computer.
- – Searching for KBase to solve the issue, in case not found surf in Internet to find solution.
- – Handle the Irated customer after the sales pitching.
- – Update in CRM and MIS, so that the next tech understands the issue better.

Educational Qualification:

➢ B.E (Computer Science and Engineering) from Velalar College of Engineering and Technology, Erode in 2013 with **8.18** CGPA.
➢ HSC from Infant Jesus Matriculation Higher Sec School, Tirupur in 2009 with **89.75%**
➢ MSLC from Infant Jesus Matriculation Higher Sec School, Tirupur in 2007 with **86.81%**

Technical Skills:

- Working Experience: ABBY Fine Reader, axes PDF Quickfix, Pitstop Pro, CCA, Adobe Acrobat XI, DC, Pro.
- Accessibility Testing: PAC 3, Adobe Checker, NVDA.
- Primary Skills: MS Office 2013, 2010, 2007, Basic troubleshooting methods
- Operating Systems: Windows XP, Windows 7, Windows 8
- Secondary Skills: HTML, CSS, Java, C++,C, Unix basic commands

Area of Interest:
- Testing documents for Accessibility.
- Installation and troubleshooting applications
- Object Oriented Programming Concepts

Professional Courses:

Advanced Diploma in Java (**ADJP**) - Technologies Used in Advanced Diploma in Java:
  i. Java RMI, Servlets
  ii. C, C++
  iii. HTML

Extra-Curricular Activities:
- Undergone an In plant training in **Crisp System** at Coimbatore for 5 days.
- Participated in **Microsoft DreamSpark** event on 7th March 2010.

Projects Worked:

Project: **Sensitive Rule Hiding on Itemset by using of Logarithmic Exponentiation Modifier**

Duration: 13-Aug-2012 to 30-May-2013   Team Size: 4

Description: This work implements a new technique termed as logarithmic exponential model for hiding sensitive rules by increasing or decreasing the support or the confidence of the rules. The logarithmic exponential model will modify the itemset for hiding the sensitive rules in association rule mining to achieve the privacy preservation mechanism. To eradicate the error variance completely in the dataset, error correction codes are used here which correct the errors occurring in the original dataset and also provides a privacy preservation scheme by hiding sensitive rules in association rule mining.

Project: **Short Message Service Application**

Duration: 22-Aug-2011 to 02-Sep-2011   Team Size: 4

Description: Instant message sending and receiving software that can be used to communicate within the office space with a simple LAN connection. Also used to make notes, set alarms, and send documents and pictures within a fraction of time.

Personal Profile:

Name	:	Gomathi S
Father's Name	:	Subramanian R
Husband's Name	:	Vignesh Kumar M
Gender	:	Female
Marital Status	:	Married
Nationality	:	Indian
Permanent Address	:	5/105, A-16, Sri Vignesh Illam, Venkatachalapathy Nagar, Kurichi, Sundarapuram post, Coimbatore-641024, Tamil Nadu.
Date of Birth	:	13th Dec 1991
Hobbies	:	Listening music

Place:

Date: (S.Gomathi)
