CAREER OBJECTIVE

To seek an entry level position and dedicate my services to a reputed organization where I can effectively contribute my skills as an engineer possessing competent technical skills for the growth of the company and career development.

TECHNICAL SKILLS

- Python
- Artificial Intilligence
- Machine Learning
- Computer Vision
- BI /Tabealu Tools
- Django, Flask
- SQL
- Oracle Database

PROJECTS

1) **ATM Operation using Database and MYSQL Communication**

In this project we can use the Pycharm Oracle with MYSQL Communication Tools by using DataTypes , Loops, Exception Handling , Modules ,Packages. Types of Exception Handling, Random Variables.

Random Variables is used for getting OTP ,Exception Handling is used for user friendly error messages, Types of Exception Handling is used for TRY and Except blocks and also RAISE the keyword or Error, Packages is used to connect across the folders or modules.

2) **Default Risk Analysis**

In this project aim to identify pattern that indicate if a client has difficulty paying their installments which may be used for taking actions such as denying the loan or reducing the amount of the lone of the Customer will default or not .

Tech Stack used : Pandas, Seaborn, Matplotlib, Jupyter NoteBook ,Data Base

3) **Face Detection Using HAAR CASCADES**

A Machine Learning Based approach where a cascade function is trained with a set of input data.

Tech Stack used : Python OpenCV

4) **Student Marks Predictor using Flask**

This Project aims to predict the student's academic performance and there by taking early steps to improve student's performance by using Flask

Tech Stack used: Python , Machine Learning Algorithms , Flask

OPERATING TOOLS

1) Python IDE
2) Pycharm
3) Jupyter Notebook
4) Spider
5) Sql Server
6) Edit pluse
7) Tableau Server

CERTIFICATE

1) Python certified by NASSCOM
2) Python certified by Nareshit

3) Data science certified by Nareshit

PERSONAL TRAITS

1) Dedicated to work
2) Proactive and Quick learner
3) Time Management

I here by declare that all the details mentioned above are true best of my knowledge and belief.
