Objective

I am a competent PHP developer with 3+ years of solid work experience in designing and developing websites for agency clients. I am a creative person who can produce websites from concept to launch. I have worked effectively both independently and as part of a team, and I am capable of being highly productive either way.

Skills

Excellent understanding of UX using HTML, CSS, Bootstrap, JAVA SCRIPT, J Query, PHP, MVC (Laravel), Third Party API Integration.

Interests

When I'm not working I enjoy listening to Music and net surfing and also cooking.

Qualifications

I have completed my MCA with 7.29 CGPA from Banasthali Vidyapith.

I have completed my BCA with (74.4%) and 12th (58.8%) from Bihar University.

I have completed my 10th with (69.8%) from S J High School Baneshwar Asthan.
